S3's Charity Gala Dinner 2023

Stroke Support Station (S3) cordially invites you to our S3 Charity Gala Dinner on Friday, 5 May 2023, at The Ritz-Carlton, Millenia Singapore, the Grand Ballroom.

The journey for stroke survivors is often arduous and resource-intensive. S3 is a ground-up initiative to help patients in their recovery and to train and support their caregivers.

S3 is the only charity in Singapore offering tech-enhanced community rehabilitation services solely dedicated to stroke survivors. We also run our signature wellness services to address the more hidden challenges such as socio-emotional and cognitive issues that affect stroke survivors.

The last three years have been difficult for everyone as we battle Covid-19. We are glad that as Singapore transits to living with the virus, S3 will be holding our first Charity Gala Dinner after five years.

All funds raised from the event will be used to subsidise the rehabilitation and wellness costs for stroke survivors and their caregivers, and to introduce new ways to support stroke survivors. These include home therapy and environment modification programmes and a new series for survivors and caregivers to rediscover one's identity after a stroke.

Donations will also help sustain our stroke awareness and prevention efforts that are integrated into our outreach programmes and campaigns. Your contributions enable us to extend our outreach and assistance to more stroke survivors and the wider community in Singapore.

We look forward to your support and would appreciate it if you could confirm your reservations by completing the attached donation reply form.

Thank you for supporting S3. We look forward to seeing you at the gala dinner.

Yours sincerely,

(Ms) Chang Hwee Nee
Chairman, Stroke Support Station (S3)
